

# CeMaST Connections

*A monthly digest of events and opportunities from ISU's Center for Mathematics, Science, & Technology*

*205 North Main Street      Campus Box 5960  
October 2024*

**Congratulations!** Our 2024-2025 Inclusive Excellence STEM Fellows are Anne Barrow (Agriculture), Sunil Chebolu (Mathematics), Charlotte Ure (Mathematics), and Jeritt Williams (Technology). Please join us in congratulating them. Both the 2023-2024 and 2024-2025 cohorts of STEM Fellows will be honored at the Inclusive Excellence in STEM Reception on November 14 at 3:30 p.m. in the Prairie Room. All the ISU STEM family is welcome.

**Grant-writing workshop!** On Friday, October 25, 9-11 a.m., there will be a [grant-writing workshop](#) to support proposals for the grant programs made available by the Illinois Innovation Network. Many members of the ISU community have been successful in obtaining these awards, but they remain a “hidden gem” of opportunity. Breakfast will be served. Follow the link for more details and registration.

**Outreach opportunity!** Science on Tap is a public talk series that we are starting to bring science to the community, in partnership with local venues. Our first event will be on Oct 21, 6-8 p.m. at Keg Grove brewery. If you are interested in participating in Science on Tap by sharing your expertise in a fun, low-stress, 20-minute talk to the general public, [please complete this form](#).
